
ADOPT-A-HIVE

2021 Annual Report

Bear Country Bees is committed to exercising good stewardship of your contributions to our Adopt-A-Hive program. Though **neither our business nor the Adopt-A-Hive program are organized as a charitable organization** (i.e. are not required to release annual financial reports), we feel that it's important to be transparent with how we utilize the funds you contribute to help save honey bees.

Below, we've provided the annual percentage breakdown of the allocation of funds in the most recent fiscal year. For more information on our program, please visit bearcountrybees.com/adopt-a-hive:

2021 Financial Allocation

Thank you for your generous contributions and continued interest in our Adopt-A-Hive program.
